**The Prayer of Confession (Unison)**

O God of creation, resurrection and imagination, forgive  
our sins against the life you have given us:  
our disregard for the new power within us,  
our lethargy in the face of challenge,  
our sadness despite the hope of resurrection  
our despair despite the promise of salvation, and  
our feelings of inadequacy in the tasks of the church

We have been so cautious that sometimes  
we lose the adventure of the Christian journey.  
We believe that the one reality is our own experience,  
that our dreams are fantasies and nothing more.  
We see too few visions, and feel too little hope.  
O Lord of abundant life,  
enable us to become fully alive. Amen.

**The Assurance of Forgiveness (Leader)**

Jesus said, "Take heart, your sins are forgiven".  
This is a word we need to hear again and again!  
We have all fallen short of our best.  
But the grace of God lifts us up and makes us whole again.  
Friends, believe the good news. In Jesus Christ we are forgiven. Amen.
