

Reflections written by Roy Sharpe

Speech Choir functions similarly to a typical choir but uses the spoken voice instead of song. Their presentations over a number of pieces will utilize some of the same elements as those used in music: syncopation, voice tone, solo, crescendo, accent, adagio, allegro, balance, blend, cadence, coda, diction, dynamics, diminuendo, and lots of practice.

This evening's offering is to be given to Family Promise of Brevard County. The mission of Family Promise is to empower homeless families to create a path towards stable, long term housing and provide peace and security along the journey. Family Promise of Brevard, Inc. is a 501 (C)(3) non-profit organization dedicated to providing assistance for homeless families in Brevard County.

Riverside Presbyterian is honored to partner with Family Promise in this extraordinary mission.
